Notice of Correction

July 8, 2019

RE: Bobby Lee Schrader

To Whom It May Concern:

On or about May 30, 2019, the City of Parkersburg incorrectly reported on its web site and through a release to the news media that Mr. Bobby Lee Schrader had been charged with committing the offense of sexual abuse in the first degree, a felony, when in fact the actual charge was battery, a misdemeanor and which was not a crime of a sexual nature.

The City of Parkersburg apologizes for this error and hopes that the posting of this statement, as requested by Mr. Schrader, on the City web site aids in some fashion to ameliorate the harm caused by this mistake.

Sincerely,

Police Chief, Joseph Martin

Mayor, Tom Joyce
